## INSTILLING HABITS, PASSING ALONG TRADITIONS

Did you know that leaders from emerging democracies come to the U.S. to ask how they can create a third sector in their countries? Teaching democratic and philanthropic principles to our children, and passing on the tradition of private citizens working for the common good is a long standing philosophy deep in the American credo. Let's teach the next generation a commitment to helping others too.

For more information on nonprofit organizations in Maryland, including those organizations that have been certified under the Standards for Excellence® program, and information on how you can make savvy giving choices, please visit [www.nonprofitsyoucantrust.org](http://www.nonprofitsyoucantrust.org)
