## THE WEALTHIEST STATE RANKS 5TH IN CONTRIBUTIONS

As important as foundation giving is in Maryland – it is individual gifts that actually account for 75 percent of all charitable giving. In 2006, Maryland was the wealthiest state in the country and ranked only 5th in charitable contributions as a percentage of adjusted gross income. If you have the capacity to give – please do – every dollar helps!

For more information on nonprofit organizations in Maryland, including those organizations that have been certified under the Standards for Excellence® program, and information on how you can make savvy giving choices, please visit [www.nonprofitsyoucantrust.org](http://www.nonprofitsyoucantrust.org)
