As a member of Maryland Association for Nonprofit Organizations, you benefit from being a part of a larger buying group. **Through a Staples Advantage account, Maryland Nonprofit members have access to a negotiated office products program that has your needs in mind.**

To take advantage of this member benefit, just [click here](#) and provide us with some basic information. Within a day or so you'll receive your ordering information and can start placing orders right away!

We make ordering and managing your office supplies program easy:

- Online ordering and free delivery
- Award-winning customer service
- Dedicated Staples Account Manager
- You can utilize this program in the retail stores, we'll show you how!
- One Source for all your needs: furniture, breakroom & cleaning supplies, printing & digital copying, promotional products, green products and more!

Maryland Nonprofits

Unless you are placing orders online at StaplesLink.com or using a credit card linked to a Staples business account in the retail stores, you may not be getting the full advantage of this business-to-business Staples program. Contact your Account Manager for more details and start saving today!
