

The UST Program By Nonprofits. For Nonprofits.

Providing nonprofits with workforce solutions that reduce costs and strengthen their missions.

Discover what **CURRENT** Members Are Saying

"We appreciate your services and excellent care of our funds in your Trust. We work hard to keep our costs down and like most nonprofits, any refunds we receive help us serve more clients and bring needed help in our community."

- *DePelchin Children's Center*

"The level of service I receive from my claims representative is outstanding. They are knowledgeable about our claims; they give me clear, accurate information and are responsive, efficient and consistent. I know I can rely on them to keep our claims charges in line for us."

- *YWCA of Minneapolis*

"We are small and have a budget to match. I was looking into some training packages that we might be able to afford, but we just couldn't do it...so I'm very, very excited to be able to offer our staff this training."

- *Association for Professionals in Infection Control Epidemiology*

UST Benefits

UST offers reliable protection and significant unemployment savings for 501(c)(3) organizations. Whether your primary focus is to protect your assets, to ensure compliance with the latest state regulations, to reduce unemployment costs or to simply allocate more time and money to your key mission initiatives, UST has a solution for you. By evaluating your unemployment claims history, number of employees and tax rate (if not yet reimbursing), UST can help determine which of our programs would best meet your needs.

Financial Protection & Savings

Funding Options

Regardless of your nonprofit's sector, size or location, UST's various programs provide funding options that cater to your nonprofit's specific financial needs—including unemployment insurance and a self-funded reserve. UST also offers programs for nonprofits looking to maintain full control of their funding and investment strategies.

Operational Savings

UST helps nonprofits better manage their unemployment claims to reduce overhead costs. In the first two years of membership, organizations can save up to 60% on their current unemployment costs while streamlining day-to-day HR processes.

Unemployment Claims Administration

One-on-One Advice

Your regional claims advisor will be your go-to source and advocate for any claims or advice on tricky workplace issues.

Online Claim Dashboard & e-Filing

Our robust online claims dashboard and e-filing tool helps you stay on top of all claims while saving you valuable time. You'll also be able to easily comply with state law and run reports at the click of a button.

100% Representation at Claims Hearings

UST members have a local hearing representative at their side to help them win more cases when an unemployment claim is escalated to the hearing level.

HR Resources

Live HR Hotline

Call or email the live hotline staffed by certified HR professionals to get timely and thorough answers to your HR issues.

HR Library & Compliance Tools

Access and download thousands of forms, documents, tools and checklists, such as an Employee Handbook template and Employee Classification tool.

Employee Training Courses

Access 200+ online training courses for both employees and managers.

Outplacement & Career Transition Services

Reduce Transition Time

Outplacement services help displaced employees get back to work sooner, lowering your unemployment costs.

Job Search Tools and Coaching

Transitioning employees can access one-on-one, on-demand job coaching, take advantage of social networking integration to help bring more visibility to their professional profiles and search millions of active jobs 24/7 with job match alerts.

Interactive Training and Development

Your former employees can utilize training videos, an interactive resume builder, interview workshops and a job posting aggregator that helps put their best foot forward.
