Standards for Excellence: Maryland Nonprofits' Standards for Excellence Institute offers 3 tiers of accreditation and recognition - Basics, Basics Enhanced and Full Accreditation - to enable organizations to work at their own pace on adopting best practices. Standards full accreditation is proven by independent academic research to help organizations increase financial support from the public. During the COVID-19 pandemic, the Standards for Excellence Institute published model return-to-work policies and tips to address challenges faced by nonprofits. In 2020 we had replication partners around the country and more than 200 Licensed Consultants who leverage the Standards in their work.

(Code:) (Expenses \$104,963 including grants of \$0) (Revenue \$0)

Advocacy: Maryland Nonprofits advocates for equitable public policy on behalf of the nonprofit community and the people they serve. During the COVID-19 pandemic, our advocacy successfully ensured that nonprofits were included in the State's \$50 million grant fund for small businesses, received a dedicated general relief allocation of \$20 million through the Maryland RELIEF Act and were included in the federal CARES Act, resulting in \$500 million for nonprofits in Maryland. Other public policy priorities included clean energy, expanding access to health insurance, and reducing the costs of prescription drugs.

collaboration with other organizations, reduced rates on training and technical		
assistance, group buying programs and other services, adn acces technical assistance		
publications available only to members.		
Pt VI, Line 11b: Form 990 was prepared by the outside accountants and reviewed		
by senior management. It was then reviewed by the board of directors before filig		
with the IRS. The entire board received a copy of the 990 prior to filing.		
Pt VI, Line 12c: The same conflict of interest policy and statements are used		
for board members and staff at Maryland nonprofits. Board members: the conflict		
of interest policy and statements are distributed to all board members in January		
and collected from all board members by February. Staff members: each staff member		
receives a copy of the conflict of interest policy and statement during their		
initial orientation. The policy is also provided in Maryland nonprofits employee		
handbook. Each year, at the start of the fiscal year, all employees are given		
another copy of the conflict of interest policy to complete. The HR/Finance officer		
retains completed forms in a special conflict of interest file. Where an actual		
or potential conflict exists between the interests of Maryland nonprofits and		
an interested party with respect to a specific proposed action or transaction,		
Maryland nonprofits refrains from the proposed action or transaction until such

with respect to a proposed action or transaction of hte corporation doesn't participate		
in any way, nor is present, in the deliberations and decision making of Maryland		
nonprofits with respect to such action or transaction. The interested party may,

about the proposed action or transaction. The disinterested members of the board	
of directors may approve the proposed action or transaction upon finding that	
it is in the best interests of the corporation. The board considers whether the	
terms of the proposed transaction are fair and reasonable to Maryland nonprofits	
and whether it would be possible, with reasonable effort to, find a more advantageous	
arrangement with an entity that is not an interested party. Appr	oval by the
disinterested members of the board of directors is by vote of a ma	ajority of directors
in attendance at a meeting at which a quorum is present. An inter-	ested party
is not counted for purposes of determining whether a quorum is pro-	esent, nor for
purposes of determining what constitutes a majority vote of direct	tors in attendance.
The minutes of the meeting reflect that the conflict disclosure was	as made, the
vote taken and, where applicable, the abstention from voting and	participation
by the interested party.
