

BACKOFFICE LEGAL SERVICE

Maryland Nonprofits' legal team is excited to offer an exclusive series of new services designed to help you run your nonprofit with confidence, knowing you are complying with state and federal requirements as well as best practices in governing and managing your organization. Our affordably priced services are intended to help our clients and the greater nonprofit community tackle the important legal tasks that can distract you from your mission-related activities.

We meet your organization where you are with strategic guidance that aligns with your immediate needs. Our legal team will help you:

- File annual federal and state compliance documents
- Review your organizing documents
- Review and update your bylaws
- Change your corporate name
- Restore good standing with the state of Maryland
- Set up QuickBooks for the first time
- File a 990N or 990EZ
- Dissolve your nonprofit corporation

Further detail on eligibility, services, and pricing can be found in Maryland Nonprofits website. As part of our commitment to strengthening your organization, we will thoroughly explain the process involved. We are dedicated to helping you mitigate risks, and support your nonprofit's growth, by ensuring your legal health. Your organization's success is our objective. Please, complete the intake application, and a member of our legal team will respond. During our free consultation with you, we will discuss your organization's needs and readiness to proceed.
