

Energy Procurement

Unbiased and independent since 1996, APPI Energy provides data-driven energy consulting and procurement solutions that reduce electricity and natural gas costs. As energy management consultants, we perform due diligence of competitive suppliers in every deregulated market.

Maryland Association of Nonprofit Organizations selected APPI Energy as its endorsed energy consultant. Organization members have access to customized consulting and 23 years of experience and expertise to help reduce and manage energy expenses.

OUR PROCUREMENT PROCESS IS EFFECTIVE

1. Evaluate energy needs
2. Analyze energy usage
3. Vet suppliers
4. Compare pricing
5. Negotiate contracts
6. Transition new services
7. Maintain customer service excellence
8. Monitor the market and your accounts
9. Identify future solutions

APPI ENERGY ONLY WORKS WITH TRUSTED SUPPLIERS

APPI ENERGY maintains a working relationship with 36 suppliers whom we trust to meet our clients' energy needs.

- 250 possible suppliers in market
- 144 suppliers researched by APPI Energy Corporate Counsel
- 36 suppliers are APPI Energy approved. Less than 25% of suppliers meet our stringent, due diligence evaluation

Our depth of supplier research includes review of financial stability, billing accuracy, customer service and resolution timing, management experience, and contract terms & conditions.

OUR CUSTOMER SOLUTIONS MAKE SENSE

1. We verify bill accuracy and resolve billing errors and credit issues. During the last year, APPI Energy resolved 896 customer service cases.
2. We evaluate local utility and government policies for financial incentives and reimbursements that save you money.
3. We assist with account adjustments, including adding or dropping meters, to ensure a smooth transition.
4. We interact on your behalf with utilities and suppliers.
5. We determine if you qualify for energy sales tax exemptions and manage reimbursements at no cost to you.

In their words

"APPI Energy's member benefit helps Maryland Nonprofit organizations reduce and manage their energy expenses. APPI Energy helped accomplish two critical goals 1) reduce our electricity costs and 2) include green energy in our total energy usage. Because APPI Energy has such strength in the market, they were able to reduce my total energy costs and include green energy for our organization. I would recommend that every Maryland Nonprofit member contact APPI Energy."
