

WHO WE ARE

With over 20 years of experience in the nonprofit sector, Topline CPA's specialty lies in combining state-of-the-art technology with CPA services, catering exclusively to startup and growing nonprofit organizations.

SERVICES WE OFFER

Our customized outsourced Accountant, Controller, and CFO services will remove the hassle of managing your accounting department and staying up to date with your reporting requirements, allowing you to focus on what matters most – your organization's missions and growth.

If you are a start-up or growing nonprofit, we will:

- Set up a synchronized state-of-the-art financial tech stack.
- Handle all of your financial and grant reporting requirements.
- Discuss your financial position and provide key highlights, trends, and strategic advice for maximizing your growth.
- Ensure your organization has the processes and platforms in place to foster long term scalability and growth.

We partner with cutting-edge software providers to maximize your finance department's efficiency:
